

## Fund-raising feat in aid of forces

THE team from Ardene House Veterinary Practice has completed a fund-raising effort in aid of Hounds for Heroes.

Vets, vet nurses and auxiliary staff at the Aberdeen hospital have raised £4,020 by selling Hounds for Heroes merchandise, organising and holding a ceilidh and from a sponsored white-water rafting event.

Nicola Summers is an RVN at Ardene House and helped organise the event.

She said: "We are absolutely delighted

with the way everything went and, of course, the fantastic amount of money raised.

"When we set out to do this, we hoped we might raise £1,000, so to raise more than £4,000 is a great effort and we would like to thank everyone including colleagues, clients and friends who gave us their support."
